LIABILITY RELEASE

Treetops Resort agrees to provide a locker for rent during the 2013-14 ski season and the undersigned renter agrees to rent the ski locker under the following conditions:

Individual and Family lockers will be used to store equipment and clothing only.

No alterations will be made to the locker without prior approval from the Ski Operations Manager.

The lockers are assumed to be in a new condition and the renter accepts full responsibility for all damages except those consistent with normal wear and tear which is expected to be minimal.

If a locker is damaged beyond normal wear and tear, the determination of which is the sole discretion of the Ski Operations Manager, the renter agrees fully reimburse Treetops Resort for the cost of the repair.

We ask that each renter furnish a combination lock of their own to assure the security of their respective locker. We ask that you provide us with that combination so that we can allow authorized persons access to the locker in the event they forget the combination.

The locker(s) must be vacated no later than April 1, 2014. Treetops Resort is not responsible for any property left beyond this date. Private locks that are in place at this time will be cut off so that the lockers can be emptied and stored for the summer.

After April 1, 2014 there will be a twenty five dollar storage fee per month charged to each renter who has not vacated their locker.
