**A Culinary Winter Adventure Preview  
Michigan's MOST Spectacular Resort Goes Gourmet Again!**

**Wilderness Sleigh Ride Dinners  
At Treetops Resort...Winter is The Tastiest Season of All!**

**GAYLORD, MICHIGAN** – Treetops Resort – Michigan's most spectacular resort goes gourmet again this winter season with the return of a favorite culinary adventure called the *Wilderness Sleigh Ride Dinner*.

Guests will be shuttled to the remote *Project Nature* property where they will be greeted by a bonfire and a hot drink before they board a horse drawn sleigh. The sleigh will take culinary and adventure enthusiasts on a meandering ride through the woods to the Wilderness Cabin where a four-course meal with assorted beer and wine will be served up in grand style.

Under the direction of Food & Beverage Director Gabe Bober, the culinary team at Treetops will ladle up the elegant comfort of **Lobster Bisque Soup** as the first of the four courses; followed by the **House Wedge Salad**. The star of the meal – two perfectly prepared proteins will fill the plate; **Char Grilled 8 oz. Beef Filet topped with fried onions and a grilled shrimp skewer, served with a cheddar chive mash and a house vegetable**. The grand finale of the meal will be one of the culinary team's sweetest treats; a **Banana Blitz**.

Following dinner the shuttle will transport guests safely back to the main campus of Treetops Resort.
