Robert Trent Jones, Sr., Masterpiece #6

DESIGNED BY MASTERS

Treetops Resort is home to 81 holes of championship golf with five distinctly different courses by renowned designers Robert Trent Jones, Sr., Tom Fazio and Rick Smith. Dramatic views, contours, and rolling terrain provide a beautiful setting for world class golf. Treetops is truly the Midwest's "Must-Play" resort and arguably the best collection of golf anywhere in the country. For a number of years, Treetops was home to the ESPN Par 3 Shootout, hosting the likes of Jack Nicklaus, Arnold Palmer, Phil Mickelson and Fred Couples, to name just a few. The participants of the Par 3 Shootout have won a combined 52 Major Championships.

"The Ultimate Michigan Buddies' Trip" - Golf Digest

THREETOPS

Rick Smith's par 3 layout Threetops, has received national recognition since it opened, consistently ranking as the #1 par 3 course in America by Golf Magazine, Golfweek, Golf & Travel and others.

MASTERPIECE

Robert Trent Jones, Sr.'s final design in Michigan is truly a masterpiece. In his own words, Jones claimed it as his crowning glory. The course takes full advantage of natural valleys, ravines and broad plains. The signature sixth hole features a 120' vertical drop and a panoramic view of the Pigeon River Valley.

GOLF DIGEST ★★★★★

SIGNATURE

Rick Smith's first 18 hole course unfolds into a high upland area, featuring undulating greens and wide, forgiving fairways. Modeled after the best overseas courses, undisturbed natural areas are prominent. Signature has been rated a Top 50 Course for Women and a Top 100 Resort Course according to Golfweek.

GOLF DIGEST ★★★★★

PREMIER

The Premier is the only course in Michigan designed by famed Architect Tom Fazio, who rarely builds north of the Mason-Dixon Line. Fazio created a course that strikes the perfect balance between challenge and forgiveness. When asked to name a signature hole, Fazio promptly replied, "All of them!"

GOLF DIGEST ★★★★★

TRADITION

Tradition is Rick Smith's walking course which pays homage to golf's origin, featuring traditional wooden pins and pennant flags. The links-style layout takes advantage of high ridges and hill-tops, similar to the other Treetops designs, while providing a walkable option and tremendous playability.
