Hike Through Majestic Northern Michigan on a Guided Snowshoe Hike at Treetops Resort

(GAYLORD, MICHIGAN) – Snowshoeing lets you go where skis fear to tread. Explore the trails by hiking through forests, and woodland trails that weave through towering pines and hardwoods. At Treetops, choose between going on your own or opt for a guided snowshoe hike with Treetops' professional and trained staff. The hike takes off at 5 p.m. ensuring a picture-perfect sunset experience. The guided hike takes roughly 45 minutes and is limited to 20 people per hike. There will be headlamps available for those that wish to have them.

PRICING: Hike without rental - \$10 Hike with rental - \$15

CHECK-IN: The hike begins at the Golf Academy Building while rentals are available in the Skier Services Building.

Treetops Resort is proud to celebrate 65 years of ski and snow operations this winter. It all started on January 2, 1954 when Lin Meade developed and opened Sylvan Knob Ski

Area with Michigan's FIRST Poma Lift, two tow-ropes, six slopes, and one "School Slope" for Ski School participants. Since then Treetops Resort has grown immensely, with a continued commitment to provide family fun skiing through some of Northern Michigan's most iconic terrain.

Today Treetops Resort offers some of the finest terrain in the Midwest for downhill skiing and snowboarding featuring 23 runs for all levels. Winter escapes also feature miles of cross country trails, and dozens of snowshoe and hiking trails. When coming for a weekend getaway with the family it is important that guests are treated to top end lodging. The resort includes 238 standard and deluxe accommodations, condominiums/townhouses, and three restaurants.

Fun Facts:

Treetops has over 20,000 square feet of meeting and banquet facilities, outdoor/indoor pools and hot tubs, spa & salon, tennis courts, state-licensed day care facility, downhill skiing, cross country skiing, tubing, real estate and much more. Treetops Resort is located in Gaylord, Michigan just off I-75 at exit #282.
