## **WE HAVE ADAPTED**

Hosting meetings and events in a world affected by COVID-19 requires major adjusting-especially on the part of planners and venues. The Treetops Conference Service Team is focusing on key areas to provide safe meeting and event spaces with a focus on health and safety protocols, social distancing arrangements, as well as, enhanced food and beverage safety protocols while still providing exceptional service.

## **SAFE DISTANCING**

Treetops has over 25,000 square feet of flexible meeting space, including 24 unique and inspiring banquet and meeting areas. Every effort has been made to implement state and executive regulations including but not limited to; proper social distanced room layouts, venue relocations to accommodate group spacing, providing adjusted traffic flows, offering open air venue options when possible and providing sanitization stations throughout venues. All while priding ourselves on providing unlimited outdoor recreating and authentic experiences that foster camaraderie, nurture creativity, and leave your guests with a fresh perspective. With customized team building and culinary adventures, 81 holes of world class golf and an 80-acre terrain winter playground, Treetops is truly Michigan's most spectacular resort for groups of all sizes to safely meet and retreat.

## **FACILITY/FOOD AND BEVERAGE SAFETY**

Treetops Resort has implemented and/or enhanced current protocols including cleaning guidelines in accordance with local and state health departments as well as having proper PPE access for all staff who are to adhere to current safety mandates including face coverings and gloves. Resort staff frequently disinfects high traffic touch points within meeting facilities during events. As for events including Food and Beverage; notable adjustments include: Staggering of food stations and service; Food only served by staff who are trained in safe food handling; and when possible, food is served in individual units vs buffet style.
