**Treetops Resort and Otsego Memorial Hospital  
Together Have Found a Creative Way to Invite Supporters to  
Play In Its Ever Popular ‘OMH Golf Outing’  
While Socially Distancing**

**(GAYLORD, MICHIGAN)** – Treetops Resort – Michigan’s Most Spectacular Resort continues to partner with an important community asset - Otsego Memorial Hospital through golf. While it is true in the traditional sense, this year's 23rd annual OMH Golf Outing was cancelled due to safety concerns regarding COVID-19. But, that didn’t stop the need for funding to support the purchase of critically needed mammography equipment. Team members from both Munson Healthcare Foundations and Treetops Resort put their heads together and creatively designed a new way to fund the project through golf. “Together with the folks at Munson Healthcare Foundations we figured out a creative way to still offer the opportunity to play golf competitively while socially distancing, all in an effort to fund this important community project at our local hospital, Otsego Memorial Hospital,” said former Chair and current board member of the OMH Foundation Barry Owens, GM of Treetops Resort. “Our entire staff is excited to keep the spirit of the OMH Golf Outing alive in support of healthcare in our community,” Owens went on to say.

This special OMH Treetops Resort package offers the opportunity for a FOURSOME to enjoy golf on a beautiful, nationally acclaimed golf course, engage in friendly competition AND support the purchase of critical healthcare equipment for Otsego Memorial Hospital.

“We are so grateful to Barry Owens and the staff of Treetops Resort for their continued support of Munson Healthcare Otsego Memorial Hospital. COVID-19 has presented so

many challenges for all of us and we are very excited to be able to offer this unique opportunity to both prior participants, and new ones, to play golf again this year at the gorgeous Treetops Resort - all while benefiting your local hospital!

On behalf of Otsego Memorial Hospital, thank you to everyone for your enthusiastic support. And remember, be safe, wash your hands, wear your mask and socially distance. Although we may be pushed apart, we will get through this by pulling together,” stated Debra Henderson, MSHC Director, Annual Giving & Stewardship Munson Healthcare Foundations.
