About Treetops Resort

Treetops Resorts' winter offerings include some of the finest terrain in the Midwest, perfect for families to enjoy all season long. Treetops Resort now boasts two new ski runs making for a total of 27 ski runs. "These new trails run right through the middle of some excellent Glade skiing areas. Both new runs provide a narrow, steep & fast pitch which could challenge some of the more advanced skiers but, is accessible for some of the more adventurous intermediate riders. The trails also make the glades more accessible for those expert tree skiers or the intermediate riders that are looking to challenge themselves. Personally, I cannot wait to share these 'powder stashes' with our guests and show off some of the unique terrain Treetops has to offer. We really do have terrain for every level of skier & rider," Brad Jacobsen, Director of Ski Operations.

Treetops boasts multiple terrain parks, glade skiing for the more adventurous, cross-country skiing, two extreme tubing runs, and a full-service spa and salon.
